

## KBGH Waitlist as of 2/24/2012

### How the waitlist works

1. New Members are not able/required to purchase a bond until they are invited to join.
2. Returning inactive members (bondholders) are given priority over New Members.
3. Invited Members shall either elect to join or purchase a bond in anticipation of joining next year. Otherwise, they will be removed from the waiting list.
4. The waitlist rank column indicates the order in which we will invite new members.

### What's included in this version

1. The list has been updated to include updates through 2/24/2012.
2. If your name was removed, it was either because membership was declined or no response was received by the membership acceptance due date.
3. Please reapply for the waitlist if you wish to go back onto the list. Thank you for your interest.
